do not prevent them,
for the kingdom

Our Lady of the Rosary Feast

Praying the Holy Rosary is a special daily devotion in our parish. **The feast of Our Lady of the Rosary is on Thursday Oct 7th.** Alternately known as Our Lady of Victory, the feast day takes place in honor of a 16th century naval victory by an alliance of Roman Catholic powers against an Ottoman-Islamic invasion into Western Europe. In preparation for the imminent battle at Lepanto, where the Ottoman Turks had an overwhelming odd of winning, the Dominican order was tasked with promoting the prayer of the Holy Rosary among the faithful. Crew members of the 200 Catholic ships prayed the Rosary daily as they faced off the 300 Ottoman ships in the Mediterranean. On this historic feast, please come and join in praying the Rosary before and after 830am Mass.

Twenty-Seventh Sunday in Ordinary Time

Parish Mission Co-Op

Our Parish Mission Co-Op will take place the **weekend of Oct 9-10**. Fr. Showreddy Thirumalareddy from the Diocese of Fresno will speak at all the Masses regarding the following mission intention:

Amruthavani (Sweet Mortal Word) is an initiative of the Telugu Catholic Bishops Council (TCBC) comprising of two big Telugu language speaking states (100 million population) in South India working for the cause of Evangelization, faith formation, and social change through TV programming and by way of training unemployed youth, drop-out girls, and women for life skills. India, the second largest country in the world with the population of 1.3 billion people is still rooted in social evils such as gender inequality and unemployment. According to a UNICEF report, 65 million female babies were killed in the last ten years by way of systematic and selective gender elimination. Today there are only 920 females for every 1000 males in India. Since the vast majority of Indians are Hindus they believe that only a boy will save them from Hell. There is also the common notion that the boy is the bread winner. In addition to this, if a girl is to be married the family has to give huge dowry. There is also an evil practice of female infanticide that is killing of female babies in India. A number of methods are employed to kill the newborn girls. 1600 people die daily due to diarrhea. This is simply because 100 million in India do not have safe drinking water. 750 million do not have toilets which is a big health hazard. In order to address these issues, Divyavani Social Communications is training Catholic graduates as journalists for mainstream media. These journalists, formed with moral conscience, in turn bring about education and awareness. We plan on training 160 in batches of 40 this year. The training cost per student is \$200. This makes them employable and earning about \$300 per month. We have trained 500 Catholic youths as journalists, and most of them are already employed and bringing about social changes.

Federal alert

Act now to stop Congress from passing most extreme abortion bill ever. The U.S. Congress is about to vote on the most radical abortion bill of all time. The ongoing push to force taxpayer-funded abortion in the budget process is terrible. The so-called "Women's Health Protection Act" is much worse. We need to tell the House of Representatives that this horrible bill must never be enacted.

Blessings of the Animals

Mark on your calendar: On the feast of St. Francis, Monday October 4th, we will have the annual blessings of animals at 11am in front of the church. Bring your pets, your children's pets, and your grandchildren's pets, and a picnic lunch, ... and friends, to celebrate the fun feast.
